

Head Lice Alert? Get NitFree Now!

Jonathan Ross just loves his. And so do almost half a million happy **NitFree** families all over Britain!

When it comes to nits, nothing else works... quite like the **Nitty Gritty NitFree Comb**. Nothing else comes with a lifetime guarantee of satisfaction. And nothing else removes head lice, nits and even 'live' louse eggs, quickly and easily, without any chemicals or pesticides.

Available online from www.nittygritty.co.uk
and over 10,000 pharmacies.
